Email distribution

The Semiahmoo Resort Association (SRA) is completing an email distribution list. There are times when information becomes available in the SRA offices that would benefit owners. The SRA would like to remind owners of community rules or make announcements. The number and frequency of emails would vary from week to week and month to month, based on need. We try to keep these to a minimum.

Participation in an email distribution list is voluntary.

Email addresses will be kept confidential.
